2008 Food Shelf Donations

Once again as the holiday season came upon us, The Champlain Telephone Company participated in our local Food Shelf Program helping those are less fortunate to provide meals for their families. CTC made their commitment to this program in November and placed a collection box for food supplies in the reception area. CTC employees and customers were encouraged to provide whatever support they could by leaving non-perishable food items or monetary donations in the collection box.

On behalf of CTC, thank you to everyone who contributed and assisted families in our area. Supplies have been dropped off to the Town of Mooers Food Shelve.

Say "DO-Not-Call" to Unwanted Telemarketers

A national Do-Not-Call Registry has been established to address unwelcome telemarketing calls. The registry applies to all telemarketers, with the exception of businesses with whom you have an existing relationship and certain non-profit and political organizations. Commercial telemarketers are not allowed to call you if your number is listed on the registry.

Consumers may register their residential telephone number, including wireless numbers, on the national Do-Not-Call Registry at no cost, either by telephone or via the Internet. To register by telephone, call **888.382.1222**. For TTY, call **866.290.4236**.

You must call from the telephone number you wish to register. You also may register, or obtain additional information, via the Internet at **www.donotcall.gov**. Inclusion of your telephone number on the national Do-Not-Call Registry will be effective three months after your registration. Your number will remain on the registry for five years, at which time you may re-enter your number on the list. You also can remove your name from the list at any time.
